

National Staff Survey 2025

Our people are what makes Barnsley special,
and our ambition is for Barnsley Hospital to be
the best place to work.

More colleagues than ever gave their feedback in the 2024 staff survey, and our results for how we **work together as a team** are the best out of all NHS Trusts in England. Colleagues score us way above average for many other themes in the survey when compared to other NHS organisations.

Working as a team

We are proud to be **rated highly** for many elements in the NHS *People Promise*:
