- (b) *“next available preference”* means a preference which is the second, or as the case may be, subsequent preference recorded in consecutive order for a continuing candidate (any candidate who is deemed to be elected or is excluded thereby being ignored); and
- (c) in this context, a *“second preference”* is shown by the figure “2” or any mark or word which clearly indicates a second preference, and a third preference by the figure “3” or any mark or word which clearly indicates a third preference, and so on,

“quota” means the number calculated in accordance with rule STV45,

41. Arrangements for counting of the votes

- 41.1 The returning officer is to make arrangements for counting the votes as soon as is practicable after the close of the poll.
- 41.2 The returning officer may make arrangements for any votes to be counted using vote counting software where:
- (a) the board of directors and the council of governors of the corporation have approved:
 - (i) the use of such software for the purpose of counting votes in the relevant election, and
 - (ii) a policy governing the use of such software, and
 - (b) the corporation and the returning officer are satisfied that the use of such software will produce an accurate result.

42. The count

- 42.1 The returning officer is to:
- (a) count and record the number of:
 - (iii) ballot papers that have been returned; and
 - (iv) the number of internet voting records, telephone voting records and/or text voting records that have been created, and
 - (b) count the votes according to the provisions in this Part of the rules and/or the provisions of any policy approved pursuant to rule 41.2(ii) where vote counting software is being used.
- 42.2 The returning officer, while counting and recording the number of ballot papers, internet voting records, telephone voting records and/or text voting records and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper or the voter ID number on an internet voting record, telephone voting record or text voting record.
- 42.3 The returning officer is to proceed continuously with counting the votes as far as is practicable.

STV43. Rejected ballot papers and rejected text voting records

- STV43.1 Any ballot paper:
- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
 - (b) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,

- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the ballot paper shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

STV43.2 The returning officer is to endorse the word “rejected” on any ballot paper which under this rule is not to be counted.

STV43.3 Any text voting record:

- (a) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,
- (b) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (c) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the text voting record shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

STV43.4 The returning officer is to endorse the word “rejected” on any text voting record which under this rule is not to be counted.

STV43.5 The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of rule STV43.1 and the number of text voting records rejected by him or her under each of the sub-paragraphs (a) to (c) of rule STV43.3.

STV44.First stage

- STV44.1 The returning officer is to sort the ballot documents into parcels according to the candidates for whom the first preference votes are given.
- STV44.2 The returning officer is to then count the number of first preference votes given on ballot documents for each candidate, and is to record those numbers.
- STV44.3 The returning officer is to also ascertain and record the number of valid ballot documents.

STV45.The quota

- STV45.1 The returning officer is to divide the number of valid ballot documents by a number exceeding by one the number of members to be elected.
- STV45.2 The result, increased by one, of the division under rule STV45.1 (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).
- STV45.3 At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in rules STV46.1 to STV46.3 has been complied with.

STV46.Transfer of votes

- STV46.1 Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot documents on which first preference votes are given for that candidate into sub- parcels so that they are grouped:
- (a) according to next available preference given on those ballot documents for any continuing candidate, or
 - (b) where no such preference is given, as the sub-parcel of non-transferable votes.
- STV46.2 The returning officer is to count the number of ballot documents in each parcel referred to in rule STV46.1.
- STV46.3 The returning officer is, in accordance with this rule and rule STV47, to transfer each sub-parcel of ballot documents referred to in rule STV46.1(a) to the candidate for whom the next available preference is given on those ballot documents.
- STV46.4 The vote on each ballot document transferred under rule STV46.3 shall be at a value (“the transfer value”) which:
- (a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
 - (b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot documents on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).
- STV46.5 Where at the end of any stage of the count involving the transfer of ballot documents, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot documents in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped:
- (a) according to the next available preference given on those ballot documents for any continuing candidate, or

(b) where no such preference is given, as the sub-parcel of non-transferable votes.

STV46.6 The returning officer is, in accordance with this rule and rule STV47, to transfer each sub-parcel of ballot documents referred to in rule STV46.5(a) to the candidate for whom the next available preference is given on those ballot documents.

STV46.7 The vote on each ballot document transferred under rule STV46.6 shall be at:

- (a) a transfer value calculated as set out in rule STV46.4(b), or
- (b) at the value at which that vote was received by the candidate from whom it is now being transferred,

whichever is the less.

STV46.8 Each transfer of a surplus constitutes a stage in the count.

STV46.9 Subject to rule STV46.10, the returning officer shall proceed to transfer transferable ballot documents until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.

STV46.10 Transferable ballot documents shall not be liable to be transferred where any surplus or surpluses which, at a particular stage of the count, have not already been transferred, are:

- (a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or
- (b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.

STV46.11 This rule does not apply at an election where there is only one vacancy.

STV47. Supplementary provisions on transfer

STV47.1 If, at any stage of the count, two or more candidates have surpluses, the transferable ballot documents of the candidate with the highest surplus shall be transferred first, and if:

- (a) The surpluses determined in respect of two or more candidates are equal, the transferable ballot documents of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and
- (b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable ballot documents of the candidate on whom the lot falls shall be transferred first.

STV47.2 The returning officer shall, on each transfer of transferable ballot documents under rule STV46:

- (a) record the total value of the votes transferred to each candidate,
- (b) add that value to the previous total of votes recorded for each candidate and record the new total,
- (c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
- (d) compare:
 - (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with

- (ii) the recorded total of valid first preference votes.

STV47.3 All ballot documents transferred under rule STV46 or STV48 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that ballot document or, as the case may be, all the ballot documents in that sub-parcel.

STV47.4 Where a ballot document is so marked that it is unclear to the returning officer at any stage of the count under rule STV46 or STV48 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot document as a non-transferable vote; and votes on a ballot document shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

STV48.Exclusion of candidates

STV48.1 If:

- (a) all transferable ballot documents which under the provisions of rule STV46 (including that rule as applied by rule STV48.11) and this rule are required to be transferred, have been transferred, and
- (b) subject to rule STV49, one or more vacancies remain to be filled,

the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where rule STV48.12 applies, the candidates with the then lowest votes).

STV48.2 The returning officer shall sort all the ballot documents on which first preference votes are given for the candidate or candidates excluded under rule STV48.1 into two sub-parcels so that they are grouped as:

- (a) ballot documents on which a next available preference is given, and
- (b) ballot documents on which no such preference is given (thereby including ballot documents on which preferences are given only for candidates who are deemed to be elected or are excluded).

STV48.3 The returning officer shall, in accordance with this rule and rule STV47, transfer each sub-parcel of ballot documents referred to in rule STV48.2 to the candidate for whom the next available preference is given on those ballot documents.

STV48.4 The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

STV48.5 If, subject to rule STV49, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable ballot documents, if any, which had been transferred to any candidate excluded under rule STV48.1 into sub-parcels according to their transfer value.

STV48.6 The returning officer shall transfer those ballot documents in the sub-parcel of transferable ballot documents with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those ballot documents (thereby passing over candidates who are deemed to be elected or are excluded).

STV48.7 The vote on each transferable ballot document transferred under rule STV48.6 shall be at the value at which that vote was received by the candidate excluded under rule STV48.1.

STV48.8 Any ballot documents on which no next available preferences have been expressed shall be set aside as non-transferable votes.

STV48.9 After the returning officer has completed the transfer of the ballot documents in the sub-parcel of ballot documents with the highest transfer value he or she shall proceed to transfer

in the same way the sub-parcel of ballot documents with the next highest value and so on until he has dealt with each sub-parcel of a candidate excluded under rule STV48.1.

- STV48.10 The returning officer shall after each stage of the count completed under this rule:
- (a) record:
 - (i) the total value of votes, or
 - (ii) the total transfer value of votes transferred to each candidate,
 - (b) add that total to the previous total of votes recorded for each candidate and record the new total,
 - (c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and
 - (d) compare:
 - (i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.
- STV48.11 If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with rules STV46.5 to STV46.10 and rule STV47.
- STV48.12 Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.
- STV48.13 If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest:
- (a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and
 - (b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

STV49.Filling of last vacancies

- STV49.1 Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.
- STV49.2 Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.
- STV49.3 Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

STV50.Order of election of candidates

- STV50.1 The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule STV46.10.
- STV50.2 A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which he obtained the quota.

- STV50.3 Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.
- STV50.4 Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

PART 7: FINAL PROCEEDINGS IN CONTESTED AND UNCONTESTED ELECTIONS

STV51.Declaration of result for contested elections

STV51.1 In a contested election, when the result of the poll has been ascertained, the returning officer is to:

56.Retention and public inspection of documents

- 56.1 The corporation is to retain the documents relating to an election that are forwarded to the chair by the returning officer under these rules for one year, and then, unless otherwise directed by the board of directors of the corporation, cause them to be destroyed.

- (a) publish a notice stating that the candidate has died, and
- (b) proceed with the counting of the votes as if that candidate had been excluded from the count so that –

4.2 If through informal efforts the Chairman cannot achieve resolution of a disagreement or conflict, the Chairman will follow the dispute resolution procedure described below. The aim is to resolve the matter at the first available opportunity, and only to follow this procedure if initial action fails to achieve resolution:

- a) The Chairman will call a Resolution Meeting of the members of the Council of Governors and Board of Directors, to take place as soon as possible, but no later than twenty clear days following the date of the request. The meeting must comprise two thirds of the membership of the Council of Governors and two thirds of the membership of the Board of Directors. The meeting will be held in private in accordance with paragraphs 8.13 and 10.2 of this Constitution . The Agenda and any papers for the meeting will be issued in accordance with Annex 2. Annex 7

Register of Directors and Governors Interests

1. Pursuant to Section 20 of Schedule 7 of the National Health Service Act 2006, a register of directors and governors' interests must be kept by each NHS Foundation Trust.
- 2. Declaration of Interests**
 - 2.1 All Directors (including for the purposes of this document, non-executive Directors) and governors should declare relevant and material interests.
 - 2.2 Interests which should be regarded as "relevant and material" and which, for the guidance of doubt, should be included in the register, are:
 - (a) Directorships, including non-executive directorships held in private companies or PLCs (with the exception of those of dormant companies).
 - (b) Ownership, part-ownership or directorship of private companies, business or consultancies likely or possibly seeking to do business with the NHS.
 - (c) Majority or controlling share holdings in organisations likely or possibly seeking to do business with the NHS.
 - (d) A position of authority in a charity or voluntary organisation in the field of health and social care.
 - (e) Any connection with a voluntary or other organisation contracting for NHS services or commissioning NHS services.
 - (f) Any connection with an organisation, entity or company considering entering into or having entered into a financial arrangement with the Trust, including but not limited to, lenders or banks.
 - 2.3 If Directors or governors have any doubt about the relevance or materiality of an interest, this should be discussed with the Chairman.
 - 2.4 At the time the interests are declared, they should be recorded in the board minutes or governors meeting minutes as appropriate. Any changes in interests should be officially declared at the next board meeting or governors meeting as appropriate following the change occurring. It is the obligation of the Director or governor to inform the Chairman or his or her nominated officer in writing within 7 clear days of becoming aware of the existence of a relevant or material interest. The Chairman or his or her nominated officer will amend the register upon receipt within 7 clear days.
 - 2.5 Directors directorships of companies in 2(a) above or in companies likely or possibly seeking to do business with the NHS (2(b) above) should be published in the board's annual report. The information should be kept up to date for inclusion in succeeding annual reports.
 - 2.6 During the course of a board meeting or governors meeting, if a conflict of interest is established, the Directors or governors concerned should withdraw from the meeting and play no part in the relevant discussion or decision. For the avoidance of doubt, this includes voting on such an issue where a conflict is established. If there is a dispute as to whether a conflict of interest does exist, majority will resolve the issue with the Chairman having the casting vote.
 - 2.7 There is no requirement for the interests of directors' or governors' spouses or partners to be declared.
 - 2.8 The above direction is in addition to the conflict of interests outlined in paragraph 11 of the Constitution.
